**KAMSSA**

**PRE-REGISTRATION EXAMINATIONS 2024**

**Uganda Certificate of Education**

**HISTORY & POLITICAL EDUCATION**

**2  $\frac{1}{2}$  Hours**

### **Instructions**

- Attempt any **three** questions in both sections.
- Section A is compulsory

### **SECTION A**

#### **Item 1**

Mr. Nguni Samuel because of the uncertainties in his original homeland in Western Kenya, led his family and a group of the Babichachi clan members and migrated into the current Bumufuni sub county, Bulambuli District in Eastern Uganda. On their arrival, they met different clans that had earlier inhabited the area.

### **Support material**

### **Task**

What should have prompted the above group to leave their homeland and show how their coming affected the local people in the area they occupied.

### Item 2

During the colonization period, European powers divided East African countries like “a wedding cake” and different East African countries fall in the hands of different powers and these became their areas of influence.

### Task

Show the reasons for the division of East African countries among European powers and the outcomes of this act.

## SECTION B

### Item 3

In your villages, there exist local courts where local matters are handled amicably by the local leaders using the powers entrusted to them.

### Support material

### Task

Identify the major cases / offences handled by such courts and show the problems faced by these courts.

### Item 4

With reference to either Singapore or South Korea.

### Task

Identify the characteristics of their economy in the early 1960's and show how the economy is transformed today.
