

## FACULTY OF BUSINESS AND MANGEMENT

### TRAIL TEST (2HRS:30 MINS)

### PRICIPLES OF BUSINESS MANAGEMNT

#### INSTRUCTIONS

**Attempt any four questions.**

**Number one is compulsory.**

**Each number carries 25 marks.**

**1a)** Leadership is a management function, but not all, managers are leaders. Evaluate the statement.

**b)** Discuss the different leadership styles in management.

**c)** Examine the importance of the leadership function in nosiness management.

**2.** Analyze the classical principles of organization which you think are standards and cannot be avoided.

**3.** State at least six pioneers of management and their respective contribution to the school of management.

**4a)** Discuss the decision-making process in management.

**b)** According to Mintzberg, managers perform various roles that are highly interrelated, specific and lead to success in managerial performance. Explain.

**5.** Comment on the underlying major aspects of management and Fayol's principles of management.

**“The future belongs to only those who believe in the beauty of their dreams.”**
