OPEN BOOK EXAM,

JUNE 2021

S.1 FOODS AND NUTRITION

INSTRUCTIONS

- **Answer ALL questions**

ACTIVITY 1

Maintaining a good standard of food and kitchen hygiene is essential. Your auntie is coming to visit you at home. She wants to work with you in the kitchen. You are supposed to prepare lunch for her. Discuss the practices of kitchen hygiene and food hygiene that you will need to put into action.

ACTIVITY 2

Using appropriate technology discuss the storage tips for the different kitchen equipment used at your home.

ACTIVITY 3

Your uncle is constructing a new home in Nansana, he has requested you to share with him ideas to consider while planning his kitchen. What suggestions would you have for him? Include guidance on lighting, ventilation sequencing among others.

ACTIVITY 4

- List down common accidents that normally occur in your home.
- Suggest several ways of how you can prevent at least five of the accidents you have listed down.

Note:

- *Print out this paper and attempt as instructed.*
- *Remember to write your name and class / stream on the question paper and answer sheets*
- *Staple / tie the question paper with the answer sheets and keep all your papers in **one** file*
