ART AND DESIGN

PAPER 1

Art History and Studio technology Theory

Duration 1 hour and 40 minutes

INSTRUCTION TO CANDIDATES

This paper consists of **two** sections A and B.

It has four items

Answer one item from each section

Answer two examination item in all

Any additional item answered will not be scored

All answers must be written in the answer booklets provided.

SECTION A: (ART HISTORY)

ITEM 1

The ancient Rome (500 BC to 476AD) in their campaign to expand their works in painting, sculpture and architecture, which contributed to artistic style today

However, in Uganda, some artists make art works with different archaeologies for example political, economic, social factors and this has led to a few people commemorating and analyzing art in their communities

SUPPORT

Task

Produce writeup advising Ugandan artists on how best they make their art works appreciated in their communities.

ITEM 2

Most African cultures lack documentation of their cultural norms, practices and beliefs. This will create a generation that will not know its origin. This means loss of original knowledge and skills developed by forefathers.

SUPPORT

TASK

Basing on your understanding of ancient Egyptian art and civilization, create a painting or drawing that shows the cultural practices of your own tribe, include a brief writeup about your art work and its subject matter.

SECTION B (STUDIO TECHNOLOGY)

ITEM 3

The event’s organizers in Kasambya town council Mubende are to host “Mudanga” a popular musician to perform a live concert. He will perform on Friday 18th August, 2024 starting at 7pm. VIP and Ordinary tickets will cost 350k and 70k respectively. The concert will take place at Lusiiba progressive play grounds.

SUPPORT

TASK

Suppose you are a graphic designer, make a suitable artwork to help the organizers to advertise the concert.

ITEM 4

Mr. Natani is a skilled artist in Kawempe. He was involved in many successful art businesses like painting houses, graphic designing and pottery work.

Peter went to school with him and is now a medical doctor because he studied sciences, one time, he asked John what Natani studied that made him a rich man, employed many youths in the village to work in different art galleries yet still very hard working.

He told him his friend studied art and design in his secondary school

I asked him to enlighten me more about that subject because he wanted to make many businesses and be rich like him.

He explained to him that, art and design is the communication that deals with the expression of human creative talents using available resources to develop themselves and country in general.

Art and design is a practical subject of unemployment by providing knowledge and skill to students which help them to become job creators or self-employed to earn profit out of their art business

He thanked him and promised to advise his son to study art and design I his secondary school so that he gives jobs to many and become self employed

SUPPORT

TASK

As a student of art and one of his admirers, produce write-up concerning the materials, his approach and why art works are produced.
