HISTORY AND POLITICAL EDUCATION
PAPER 1
2hours 30 Minutes

INSTRUCTIONS TO STUDENTS;

- Attempt any four (4) items.
- Section A is compulsory, choose all.
- Section B is optional, choose two items.

SECTION A

Item 1

In the early 20th century, there was influx of missionary groups into E.A, some were of catholic origin, others were Anglican origin, African Traditional Religion had existed long time, followed by Islam. All there religions have impacted people's lives positively and negatively.

Task.

- (a) What reasons led to the coming of foreign religions into E.A. (10 scores)
- (b) How did these religions impact people of E.A? (10 scores)

Item 2

Agriculture is the backbone of Uganda's economy. This is because the largest percentage of the population has invested in the growing of food and cash crops and rearing of animals both for subsistence and commercial used due to privatization and liberalization of the economy, a number of private foreign

investors invested in agriculture, especially plantation agriculture. However, their coming has had an impact on Ugandans.

Task.

- (a) Explain the impact of foreign domination of Uganda's agricultural sector. (10 scores)
- (b) Discuss the impact of foreign domination of Uganda's agricultural sector. (10 scores)

SECTION B

Item 3

At first, East Africa was not involved in World War I and World War II since this was entirely a European affair, but sooner she found herself joining the war on the side of Britain. II World War went up to 8th May, 1945. E. Africa was under the control of colonialists, some Africans in Tanganyika supported Adolf Hitler (German) their former colonial master hoping that Tanganyika would return to Germany.

Task.

- (a) Give reasons why E. Africans became involved in World War II. (10 scores)
- (b) Analyze the role played by E. Africans in the World War II. (10 scores)

Item 4

The decentralization policy was introduced in Uganda in year 2000 with the main objective of empowering people, democratizing state power and facilitating modernization of communities. This was after realizing that the centralized approach to management of public affairs and development planning that was adopted in Uganda at the time of independence had not been effective in reducing poverty, improving people's welfare and good governance.

Task.

- (a) Explain the challenges faced by local governments in Uganda. (10 scores)
- (b) Discuss how the identified challenges faced by local government can be solved. (10 scores)

Item 5

Human rights and rule of law go hand in hand, without rule of law, human rights rule of law becomes rule by law and creates room for repression.

Task.

- (a) Explain the people, groups or organs that have been at the forefront of violating human rights in Uganda. (10 scores)
- (b) What are the measures that can be taken to stop violation of human rights in our communities? (10 scores)
