Note:

Your product/work may be generated from many disciplines of Art and Design for as long as it is in the direction of the scenario given.

Art Making (Practical)

Item 1.

The government of Uganda together with the ministry of Health has come out to alert the public about the spread of Red eye disease in schools, they sat down with the Head Teachers from different schools to suggest the best communication to the public. The Head Teachers decided to use the opportunity to use their fine art students to produce art works that can be used for communication to the public.

Task.

As a fine art student, you have been chosen to produce an art work of your choice that can be used by the ministry of Health to communicate to the people of Uganda.
